To the Citizens of the
Town of Appomattox:

The regular meeting of the Town Council was held in the town office at 7:30 P. M. on December 15.

The regular order of business was transacted. One of the items of old business that came up and was disposed of was "the parking meters." The Council voted to have the parking meters removed permanently and the balance owing of approximately thirteen hundred dollars is to be paid off on a monthly basis of approximately $100 per month. The representatives of the company from whom the town bought meters from, appeared before the Council and gave assurance that if the town wanted to sell the meters, that it was felt the town could realize between $30 and $35 per meter for those which the town purchased. For the present, the council decided it was best to leave the meters in storage.

The Council had a lengthy discussion concerning the present police problem. A decision was reached that the town hire an officer on a temporary basis. Mr. R. T. Mitchell has been hired to work for the town in this capacity on a temporary basis. Mr. Mitchell has assured the Town that he is willing to accept this position on the stated basis and he is ready and willing to serve you free people as the very best of his ability. In the event you need an officer, please call 2381 and I am sure he will be ready to serve you.

The Council will hold a special meeting on Monday, Dec. 21, in the Town Office. The budget will be presented, discussed and passed upon at this meeting, unless some conflict arises which would make the passage of the budget for the year 1960 impossible at that time.

I want to take this opportunity to wish all of you wonderful people a very Merry Christmas and a Happy and Prosperous New Year.

Your counsel and advice on all public matters is welcomed at all times.

Sincerely,
C. T. Moses, Jr.
Mayor, Town of Appomattox.
